

## DURACERAMIC® ORIGINS AND DURACERAMIC DIMENSIONS® LIFETIME RESIDENTIAL LIMITED WARRANTY

### **What is covered:**

Congoleum warrants that its DuraCeramic Origins and DuraCeramic Dimensions will not wear through printed design and wearlayer due to normal household use, will be free of manufacturing defects, included but not limited to rips, tears, changes in gloss level, scratching, cutting, chipping, breakage or staining during normal use as long as you own the product.

DuraCeramic Origins and DuraCeramic Dimensions featuring Scotchgard® Protector further warrants that for a period of fifteen years from the date of purchase, your floor will be easy to clean and will resist staining. Easy to clean means that soils, liquids and tacky substances won't stick to the flooring surface, helping to prevent build-up, eliminating the need for aggressive cleaners, and extending the time between cleanings. Note: "Easy-to-Clean" does not mean the surface is "self-cleaning."

This warranty only applies to normal residential applications. If the product is used in a light commercial application, Congoleum only warrants that the product will be free of manufacturing defects, and will not discolor from mold, mildew or alkali for a period of five years from the date of purchase.

This warranty applies to quality one, current running line DuraCeramic Origins and DuraCeramic Dimensions patterns purchased after June 1, 2018 and installed in single family residences (excluding communal living or institutional residences) following all current DuraCeramic Installation Instructions.

This warranty covers material for the time periods indicated above and reasonable labor costs as published in RSMeans® for five years if installation was paid for when the original floor was installed.

This warranty is not transferable.
