60 DAY ADORE YOUR FLOOR PROMISE

We want to ensure your complete design confidence with your CLEO floor. If, within the first 60 days after your CLEO floor is installed, you are not completely satisfied with your CLEO floor, we will provide replacement CLEO material, in the design of your choice, in the same quantity of your original purchase. Contact your retailer within 60 days after the installation date of your CLEO floor and select a replacement design and color. This includes CLEO flooring material only; no labor will be paid for the replacement. This is a one-time only replacement offer. The replacement floor will carry all of the other warranty features except the 60 Day Adore Your Floor Promise.

Thank you for choosing CLEO.
